

Digital Cast Storage Order Form

Your Feet, Archived (Using Digital Storage)

Your orthotics were crafted using computerized models of your feet. The lab can digitally archive these models so that your doctor can order additional devices, providing your perscription hasn't changed. You can order digital archiving up to one year after the date of manufacturing.

3 years = \$9.95
5 Years = \$14.95
10 years = \$19.95
